SOCIAL PROJECTS

La Salle University is a community institution; therefore, it is committed to developing innovation projects in favor of the surrounding community.

We are proud to say that employees and students are involved in social projects and hands-on learning experiences for the benefit of the community.

Some examples of the projects:

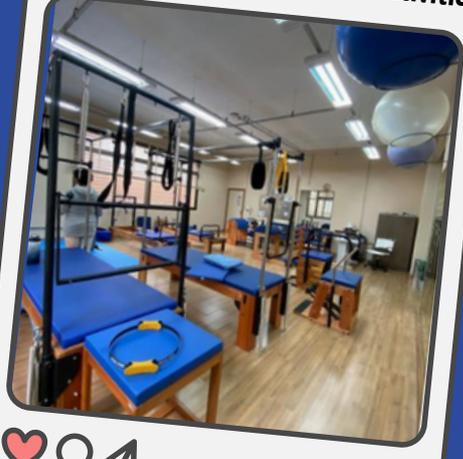

- Support for waste recycling cooperatives, and awareness projects on the correct disposal of waste and the impact on the environment;
- Recovery of degraded areas and environmental education, which includes issues related to climate disasters;
- Artificial Intelligence interventions in the health sector;
- Social treatment at La Salle Clinic Healthy;
- Cátedra Sergio Vieira de Melo (Support to immigrants)
